

Wincanton Neighbourhood Plan - Objectives

Revised 26 Aug 2015.

..... NP Objectives

..... Other priorities to be addressed outside the NP

- Housing suitable for older people
- Identifying the most sustainable location for any more housing (either a Direction of Growth or an allocated site/s)
- Protecting Wincanton Community Hospital OR finding an alternative site for a new facility
- Improving Primary Care (possibly supporting the creation of a second GP surgery)
- Supporting the expansion of the Primary School
- New employment space near the A303 (B1, B2, B8) – allocating a site
- A town centre development to attract an anchor store or service
- Unlocking the barriers to viable development of Listed Buildings
- Making the town centre more attractive to users (a policy & project to improve safety & reduce speeding through public realm enhancements & wider pavements etc)
- A policy & project to making the wider town more accessible to cyclists and mobility scooter users (developing a route/s)
